Gallup figures are from [www.gallup.com](http://www.gallup.com). Gallup estimates are based on final pre-election surveys, later weighted according to actual results. Gallup did not conduct pre-election vote intention in 2016.

NES figures are from CARA's direct tabulations from NES data series. NES estimates are based on post-election surveys.

Exit poll figures prior to 2000 are from *The New York Times*. Figures for exit polls in 2000 and later elections are available from media web sites ([cnn.com](http://cnn.com), [msnbc.com](http://msnbc.com), etc.). Exit poll data is only available since 1972.
